

March 2, 1983

LB 50, 155

PRESIDENT: The question is on the adoption of the Labeledz amendment. All those in favor vote aye, opposed vote no. Have you all vote? The Clerk will record the vote.

CLERK: 27 ayes, 0 nays, Mr. President, on the adoption of Senator Labeledz's amendment.

PRESIDENT: The amendment is adopted. Senator Labeledz.

SENATOR LABEDZ: I move for the return of LB 50 to Final Reading.

PRESIDENT: All those in favor of the motion say aye, opposed no. The motion carried. The bill has been returned to Final Reading. We would like, before we drive our visitors away, to introduce a guest of Senator Lamb under the North balcony, Professor Richard Albrecht, who teaches French and American History in Ainsworth High School. Welcome. Senator Goll, your light is on. Did you wish something?

SENATOR GOLL: Have we resolved LB 155? As I understand it, Senator Wesely has withdrawn his....

PRESIDENT: That has been passed over and is held for further correction. Contact the introducers. Wesely has withdrawn the amendment. What shape is it in, Mr. Clerk?

SENATOR GOLL: Is the bill now ready to be advanced to Final Reading?

PRESIDENT: It is in its proper place, the Clerk informs me, on E & R for final engrossment.

SENATOR GOLL: There is nothing else we have to do?

PRESIDENT: We are afraid to say aye or nay on that.

SENATOR GOLL: Very good, thank you.

PRESIDENT: Very well, LB 50 is now on....so that is in its proper place. All right, we are finished with our agenda now on Final Reading. We will go to Select File, but I believe the Clerk has things to read from his desk.
